Dear Mr. Bonham:

This letter is to inform you that as of July 16, 2003 the Commission has not received your response to our requests for additional information dated June 25, 2003. These notices request information essential to full public disclosure of your federal election campaign finances. To ensure compliance with the provisions of the Federal Election Campaign Act (the Act), please respond to these requests (copies enclosed).

An adequate response must be received at the Commission by August 6, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather then just those portions of the report that are being amended. If you should have any questions regarding this matter, please contact Edward Ryan on our toll-free number

(800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Amended November Monthly Report (10/1/01-10/31/01) Received

12/19/01

Dear Mr. Bonbam:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule F of your report discloses a coordinated expenditure made directly to a candidate committee (pertinent portion(s) attached). Please be advised that a coordinated expenditure is to be made on behalf of a candidate for the General Election. The money cannot be contributed directly to the candidate committee. As such your expenditure appears to be a contribution to a federal candidate and is subject to the limits set forth in the Act. Please amend your report to clarify your expenditures and record them on the appropriate schedule supporting the correct line of the Detailed Summary Page.

-11 CFR §104.10(a)(1) requires a unique identifying title or code for each shared program or activity conducted on behalf of federal and non-federal candidates. On Schedule H2, you have failed to provide a unique identifying code for all fundraising events (see attachment(s)). Please amend all schedules where a unique title or code was not provided for an activity/event.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days

of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,

Edward D. Ryan
